

Always dreamt of sailing Dragonfly?

Now your dream can come true

This summer Quorning Boats introduces a Dragonfly 28 specially designed for charter sailing in the waters around the beautiful island of Funen in the heart of Denmark

Further to a week of great sailing with family or friends, you get introduced to sailing a Dragonfly - Dragonfly Sailing Certificate

If – within 6 months after your charter – you buy your own Dragonfly, the charter price will be deducted from the sales price

*Introducing this summer:*

## **DRAGONFLY YACHT CHARTER**

Let go the mooring lines and let your dreams take flight on a Dragonfly

## Great fun and easy handling

The Dragonfly 28 Charter boat offers four full size comfortable berths of each 2 m, a nice main cabin with excellent view and a very big cockpit for the whole family

The following equipment is included:

- Compass, VHF, GPS, Speed & Depth, radio, nautical charts
- Life jackets, lifelines, life raft, lifebuoy foghorn, signal flares, first aid kit, fire extinguisher
- Mooring, anchor, fenders, boat hook, sprayhood + cockpit tent
- Gas stove and refrigerator, all pantry equipment

## Dragonfly Sailing Certificate

### Qualifications

Skipper must have good sailing skills and be able to present a sailing certificate

Further to this you and your crew will spend the first hours of your charter period training with an experienced Dragonfly sailor

When you get your Dragonfly Sailing Certificate you are ready to go sailing on your own

Call us or send us an email to get all the information on how you can become part of the adventure

*We look forward to seeing you on board a Dragonfly this summer*
